

Cable Community Farm

2022 Annual Report

mission: grow food. build community.

The vision of the Cable Community Farm is that our community has abundant access to affordable, healthy food and that our farm is a hub for learning and growing. We value sustainability, inclusivity, and collaboration.

Letter from the Executive Director

One year ago, I could not have predicted the major transitions that were in store for the Cable Community Farm in 2022. It has been truly inspiring to witness the outpouring of love and support the farm has received from every donor, volunteer, community partner, and our new property owners. Looking ahead, I look forward to celebrating the 10th Anniversary of the Cable Community Farm and its mission to *grow food & build community* in 2023.

It's a pleasure to collaborate with such a vibrant and passionate community.

-Cheyanne

2022 Board of Directors

Kathy Teasdale, Liz Schneller, Le Sedlacek, Mollie Krebs-Mertig, Anne Grabowski, Greg Townsend, Irv Berlin

Vegetable of the Year

2022 was the year of the cucumber!

The Cable Community Farm distributed over 1,000 packets of **Crossover Cucumber** seeds along with planting, harvesting, and prepping instructions throughout the community in honor of our annual **Vegetable of the Year** campaign.

Special thank you to **Mimi Crandall** for creating beautiful, original artwork, "*Pickled and Sliced*" and to every **Local Business Hero** that supported this year's campaign.

Growing Food

36 families produced healthy, nutritious food for their households in the Community Garden and Hoop House.

The Growing Together Garden produced food to contribute to the **Cable Area Food Shelf** and sell at **local area farmer's markets**.

After several years, the Cable Community Farm was able to invite the community to attend our **Annual Harvest Dinner and Potluck** featuring farm-grown veggies!

Building Community

The Cable Community Farm was selected to participate in the Chequamegon Food Coop's **"Round Up for Partners"** program this spring.

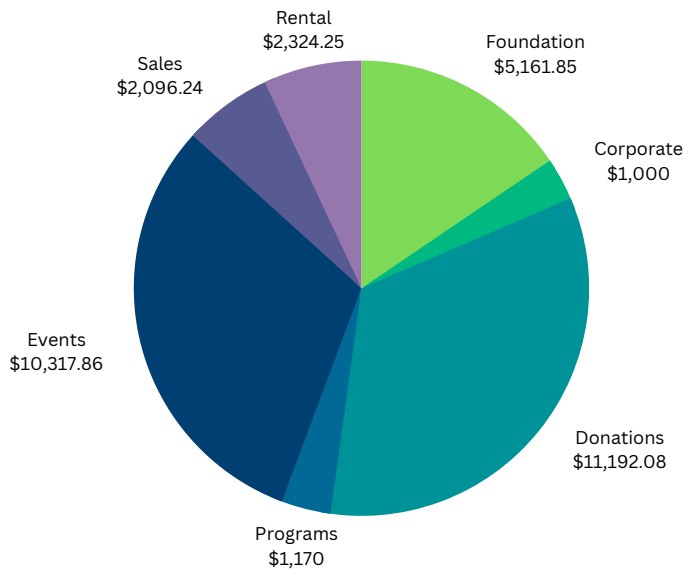

We continued a tradition of volunteering at the Birkie Start Line at the **"Greatest Show on Snow."**

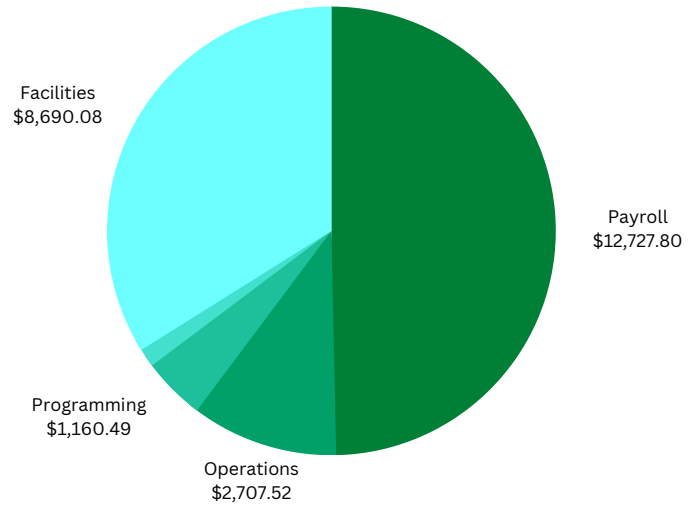

The farm hosted new events, such as our **Earth Day Seed Swap** and a **"Garmisch Christmas for the Garden."**
